

Additional information

Airfares

Airfares and taxes are not included in the tour price because some people want to use their Frequent Flyer points or extend their plans and go elsewhere in Japan either before or after the tour.

If you need help with an airfare quote, please contact Beverley Bradley at Impulse Travel on beverley@impulsetravel.com.au.

IMPORTANT: If you have already done your own air tickets, please attach a copy of your flight details to your tour booking form so we are aware of your travel plans.

Transfers

Arrival and departure transfers are included in the tour price for tour participants travelling on air tickets that we have organised which have been arranged for specific transfer times. If you organise flights yourself that arrive and depart at different times you will need to have private transfers at your own cost, but we can assist you with these arrangements. Unfortunately, there is no reduction to the tour cost for transfers included in the tour cost that are not used.

Travel Insurance

Fully comprehensive travel insurance cover is a mandatory requirement of participation on this tour. There are many pitfalls in acquiring the appropriate travel insurance cover so please contact us so we can assist you to find the cover that best suits your needs.

Visas

No visas required for this tour if you are travelling on an Australian passport. If you are not travelling on an Australian passport, please contact our office for advice and assistance.
